INNOLYMPICS 2025: ING Hubs Philippines, Taguig

Hackathon Special Awardee

January 2025

TALLY is a gamified learning application that simulates a classroom economy to help students develop practical financial literacy skills, including budgeting, saving, and understanding taxes. Through interactive activities, it makes financial concepts more engaging and easier to apply in real-life situations.

Gracewell Nexus: Web-Based Employee Management System

Software Engineering Project

August 2025 – May 2026

Developed and implemented a full-stack employee management system for attendance, payroll, expenses, employee records, and user access using React, Node.js, Express.js, PostgreSQL, and Supabase.

Experience

LBC EXPRESS, INC.

Pasay, Manila

Information Technology Intern - Cybersecurity and Infrastructure

May - July 2026

- Built and refined three Wazuh monitoring dashboards covering high-severity security alerts, MikroTik L2TP VPN activity, and Windows failed-logon events.
- Reviewed and triaged Office 365 phishing and malware alerts, Windows Registry changes, event-queue overload warnings, suspicious files, and repeated authentication failures.
- Created isolated VirtualBox laboratories using Kali Linux, Metasploitable, DVWA, and Wireshark for authorized vulnerability testing and network observation.
- Observed server racks, network switches, cabling, cooling systems, backup power, and physical access controls during a supervised warehouse and data-center visit.

CENTER FOR INNOVATIVE LEARNING, ADAMSON UNIVERSITY

Ermita, Manila

Student Trainee

January - April 2023

- Assisted in backing up Schoology files and organizing digital records for proper storage and retrieval.
- Reviewed and removed outdated or unnecessary student files following departmental instructions.
- Helped troubleshoot and restore printer connections across multiple school offices.

Leadership

GOOGLE DEVELOPER STUDENT CLUBS PLM

Intramuros, Manila

Community Relations Department Officer

October 2024 – May 2025

- Assisted in promoting events, coordinating with students and partner organizations, and supporting community engagement activities.

ADAMSON UNIVERSITY - SHS SUPREME STUDENT GOVERNMENT

Ermita, Manila

STEM-Technology President

August 2022 – June 2023

- Led student activities, coordinated with officers, and represented the STEM-Technology strand in school programs and concerns.
